

**DEPARTMENT OF BIOTECHNOLOGY
(CANCER AND MOLECULAR BIOLOGY DIVISION)
MANIPUR UNIVERSITY**

Advertisement for the Posts of JRF in DST-SERB Sponsored Project

Applications are invited for two (2) Junior Research Fellow (JRF) positions in a purely time-bound research project entitled **“Investigation of Molecular Mechanism Action and Functional Role of a Novel Intronless Gene Encoding Casein Kinase 2 alpha in Myeloid Cells Differentiation”** undertaken in the Cancer and Molecular Division, Department of Biotechnology, Manipur University.

- Eligibility: M.Sc. in Biotechnology/Biochemistry/Microbiology/Biosciences
- Preference will be given to candidates with prior experience in animal cell culture and molecular biology
- JRF position can be converted into Ph.D. program as per the Ph.D. Regulation of Manipur University if the performance of the candidate during the project is satisfied.
- Fellowship: A consolidated amount of ₹ 25,000 per month plus 10% HRA for UGC/CSIR/DBT-JRF/NET or GATE holders. For non JRF/NET holders, the consolidated amount will be ₹ 16,000 per month plus 10% HRA.
- Last date for form submission: Application along with complete CV should be submitted on or before 15th October 2016. Candidates can also submit application to email: shanju.lisam@manipuruniv.ac.in, mentioning “DST-SERB-JRF 2016” in the subject of the email. Date of interview will be notified to only the short listed candidate through email.

Prof. Lisam Shanjukumar Singh
