8th Semester OE Registration Course & Time Table

SASTRA UNIVERSITY

Thanjavur – 613 401

Sub: EVEN SEMESTER – 2015-'16: OPEN ELECTIVE (OE) COURSE REGISTRATION FOR THE B.Tech. VIII SEMESTER STUDENTS

The VIII semester classes for B.Tech. students (2015-'16) will commence on **Wednesday, the 20th January 2016 at 8.40 a.m.** The following instructions / guidelines / information will help you to understand the *online registration* process for open elective course registration:

1. All the students must register OE courses through online only. The online registration will be opened on **Saturday, the 9th January 2016 from 9.00 a.m. to 5.00 p.m.** only.
2. The Open Elective Courses are being categorized into *four groups* i.e. A,B,C and D. Each group has a fixed number of courses.
3. Students will be allotted only one course from a particular group. If a student chooses more than one course, the *first choice* will be considered for the allotment. In the event first choice is not available, the remaining choices will be allotted by the system, based on his/her **CGPA**. No request for any change will be entertained by the University under any circumstances.
4. The **Time-Table** for the courses is available in the **website**.
5. Students who have completed 1/2/3/4 open elective courses under the **ACRS mode** need to submit only 3/2/1/0 choices. The choice submitted will be under only one group if there is one OE to be completed, two groups for two OE & three groups for three OEs. For example : if a student has only one OE to be completed, he/she can choose the OE from only one group and cannot provide 4 different choices for one OE from the four groups.
6. Final allotment list will be available in the website from **Monday, the 18th January 2016** and all students are advised to report for classes from **Wednesday, the 20th January 2016** positively. Only **long-term internship students with prior permission** will be considered for late joining as per the approved dates.
7. Students who have already been allotted courses under the *TCS – Pre-induction Training* need not register. Those who have been selected for the NPStream of TCS need to register for as many OEs as they need to complete during the 8th semester.
8. Under the long-term internship/Semester Abroad Programme, some students have been permitted to appear for end-semester exam on a *self-study basis*. Such students must submit a letter of undertaking duly countersigned by their parents expressing their willingness to appear for the End-semester exam, which has a 100% weightage and the consequential academic risk in doing this is entirely theirs. This letter of undertaking must be sent by post/in person to Mr.M.Raja, Department of Training & Placement by **Sunday, the 31st January, 2016** along with their choices of self-study subjects which cannot be changed subsequently.
